PERFORMANCE WEAR:

Hot tip: Look around for local martial arts stores for "Ninja Tabi." They're a great source for larger sizes, or to try before you buy. If you CAN try on someone's tabi, DO. How the toe fits and how the closure works for you will range wildly.

MEASURING FOR TABI: 1) Tape a marker to a TP-roll core to be sure to keep marker square to foot. 2) Trace foot while standing up. 3) Measure from tip of big toe mark to heel mark. Favored types are JOG "Matsuri," and "Air-Taiko" > 6-tab closure versions. Both offer support and cushion.
